Monument Square has become one of the highlight landmarks in Portland for interesting and bizarre events. Hopefully I don't offend anyone but I personally am putting this one in the bizarre pile. I respect people and their beliefs but I'm having a hard time wrapping my....head around this one.

Today protesters involved with the **Great Northeast & New England Circumcision Crisis Protests** filled Monument Square to spread the word against circumcision. There is an online invite for inactivists to show up either in street clothes....or bloodstained suits. Seriously?

Thoughts? Please leave them on our Facebook page.
