

GROUP AT YOREE AND 70TH PROTESTING...CIRCUMCISION

A group of between five and ten people stood on the traffic median at the corner of Youree Drive and E. 70th Street in Shreveport Sunday afternoon, protesting...circumcision.

The protesters held and waved signs at passing motorists, some saying "Circumcision Cruel To Boys", "Circumcision Removes 16+ Functions", and "Mothers - It's Not Your Penis".

710 KEEL listeners report that the bunch was still going strong at 3pm. They caused no traffic problems at what is one of the city's busiest intersections.
