Members of the group Bloodstained Men and their Friends, gathered at the corner of 23rd street and Highway 77 until 3 p.m. Friday. They were voicing their opinions on circumcisions. They say the medical practice of circumcision is not only harmful but also unnecessary. The group is on a 19-day tour across the state to try and get the word out about their cause and educate the public on choice. Protesters say their next stops are Pensacola and Tallahassee.
